Roydon Packaging Limited

## PACKAGING ALLERGENS STATEMENT OF COMPLIANCE

### *Roydon Packaging Limited*

Roydon Packaging Limited hereby confirms that, to the best of our knowledge and based on supplier declarations and internal controls, none of the packaging materials, adhesives, or inks used in our manufacturing processes contain substances classified as food allergens under current UK and EU legislation.

We do not knowingly use or source any raw materials that contain:

- Cereals containing gluten (e.g. wheat, rye, barley, oats)
- Crustaceans, molluscs, or fish
- Eggs or egg derivatives
- Peanuts, nuts, or nut oils
- Soybeans or soy derivatives
- Milk or dairy components
- Celery, mustard, sesame, lupin, or sulphur dioxide/sulphites above regulated thresholds

All inks and coatings used are compliant with applicable packaging safety standards and are not formulated with allergenic substances. Where applicable, we maintain traceability and supplier assurance documentation to support this declaration.

This statement is issued in good faith and reflects our ongoing commitment to safe, compliant packaging solutions. Should your specifications require additional allergen controls or declarations, we are happy to collaborate further.
